SUBJECT: 62ND UNGA FIRST COMMITTEE: GREECE ON PROPOSED
RESOLUTION ON DE-ALERTING OF NUCLEAR FORCES

REF: STATE 140048

Classified By: Political Counselor Robin Quinville for 1.4 (b) and (d)

(C) Pol-Mil Chief raised reftel points with Photis Bourlogiannis, the action officer at the MFA for UN First Committee issues. His boss, MFA Counselor Dionyssios Kyvetos, is in New York for the First Committee. Bourlogiannis said that the Greek MFA was unaware of the issue, but that he would convey the U.S. concern with the proposed resolution on de-alerting of nuclear forces to Kyvetos in New York. He also opined that Greece would likely follow whatever lines the UK and French propose. We recommend USUN/U.S. First Committee Delegation follow-up directly with Kyvetos, should there be any need to consult with the Greeks on this issue.
